

## **Countryside Alliance Clean Up Day**

**Saturday April 6<sup>th</sup>, 2019 is a national “clean-up day” and Christopher Hodgson is happy to lead those who would want to be part of this. Thanks to diligent villagers, Priors Hardwick itself is pretty well free of rubbish but our surrounding roads less so. Please contact him on [cjhodgson@btconnect.com](mailto:cjhodgson@btconnect.com) or 01327261941 if you could help; it is anticipated that with a team of 10 the job could be done in 60 minutes! Four car drivers would be an asset.**
