Priors Nursery
A nurturing & caring environment in a rural setting

SEPTEMBER 2019

Mrs Atkinson after many years has moved on to pastures new – we wish her the very best of luck, everyone was sad to see her go. We hope she will pop in to see the Nursery whenever she can. We are very pleased to welcome Ms Claire Benson to the Nursery team and hope she enjoys all that the Priors Nursery offers.

Fourteen children in Nursery are enjoying this terms topic 'Structures' and have already ventured out to Priors Marston church – you can see what Nursery are up to on the [Priors Nursery Facebook](#) page.

Donations to PET are gratefully received – if you have had some uniform this term from Jess and haven't already - please make sure you give her your donation. Remember Jess does this voluntarily, so please make life easy for her!
