

We would like to invite you to a community drop-in

High Speed Two (HS2) is the new high speed railway for Britain.

In the area between Lower Boddington to Wormleighton, we are building several new sections of road as part of the Banbury Road Overbridge construction. Throughout 2023, we will be connecting these roads to the public highway and this will require some extended periods of traffic lights and road closures.

We are working closely with local authorities and other stakeholders to reduce the community impacts wherever possible.

As we continue to plan this work, we would like to invite you to meet EKFB staff, ask questions and provide feedback, during a series of community events in March 2023.

Our first event will be a community drop-in at Boddington Village Hall, from 5pm to 7pm on Wednesday 1 March 2023.

Come and talk to us on **Wednesday 1 March 2023**,
between **5pm** and **7pm**.

At **Boddington Village Hall**,
Warwick Rd, Upper Boddington,
Daventry NN11 6DH

We look forward to meeting you.
